It's "superb in every way" sigh sybarites about this "absolutely beautiful" Tudor-style Relais & Chateaux inn on 100 Lenox acres; begin with a "cocktail on the veranda", then savor "exquisite" New American-French cuisine, voted No. 1 for Food in the Berkshires, served with "old-world elegance" in a "romantic setting" with "harp or piano music wafting"; natch, such "a wow of a place" requires a "splurge", but "save up and treat yourself" to "life like one should be born to"; N.B. Jacket and tie required at dinner and no children under 12 permitted.
